WHY NCCC ?

The following information was gleaned from the NCCC Web Site. The question of whether to stay affiliated or to disaffiliate will be discussed at the next monthly meeting on April 13, 2008. I submit this information as a neutral member and encourage you to attend – speak for or against – and vote upon the matter.

The largest single BENEFIT most obvious is the insurance program provided by K&K Insurance Company, which is third party insurance; covering ALL MEETINGS, SOCIALS, CARAVANS, CAR SHOWS and Competition Events.

There are many other BENEFITS You receive from your National Council of Corvette Clubs:

Publication: The BLUE BARS magazine is our NCCC Newsletter that is published 4 times a year and is a wonderful example of the Corvette fun that NCCC generates.

Charity and Grants Program: NCCC donated over \$121,000 to the National Kidney Foundation in 2002. Each year a new Corvette is raffled off and the model is selected by the Charity Committee.

NCCC Displays: NCCC has two traveling Displays that are shipped out to Member Clubs to use at Meetings or Shows to help promote their Club and NCCC.

NCCC Web Site: NCCC has a vast web site that connects all of our Regions together.

Future Corvette Owners Association (FCOA): Since 1991 FUTURE CORVETTE OWNERS ASSOCIATION has been the youth organization of the National Council of Corvette Clubs (NCCC) the largest non-profit Corvette organization in the United States.
