You will only see this Prez Sez on our Web Page as there is no longer a printed Coventry Courier.

NATIONAL CORVETTE MUSEUM. The first, the best, the only. No other sports car has carried the dreams of a nation like the Corvette. No other car has had a richer or more fascinating history, and none has a brighter future. Corvette enthusiasts everywhere are preserving their unique heritage and building for its future through the National Corvette Museum. Located in a 68,000 square foot super-structure in Bowling Green, Kentucky, the Museum is a living chronicle of the Corvette and the people who have made it a legend. Special events and celebrations held throughout the year make it the premier meeting place for the Corvette community.

Be a part. The National Corvette Museum is a non-profit organization supported entirely by the investment of Corvette enthusiasts like you. Be part of a proud tradition by becoming a member today. Once you choose the membership level that suits you, there are two easy ways to join: *call 800.53VETTE or *log on to corvettemuseum.com. Family Membership is \$100.00 (\$50.00 annual renewal). Individual Membership \$50.00 annually.
